

## African Voices Magazine

African Voices, a national literary magazine, features a variety of art, fiction and insightful stories. The magazine offers the latest reviews and profiles on film, theater and music.

- ❖ We bring our readers to you. Our incredible advertising packages offer an opportunity for advertisers to reach a national audience and display their products or services at our successful literary readings and networking events.
- ❖ We design the perfect ad. Our expert team of writers, artists and photographers can offer the perfect creative ad design for a reasonable price.
- ❖ We have many sponsorship opportunities available which gives advertisers additional access to our readers. Get more than an ad - sponsor an event.
- ❖ Together, we evolve. Your prosperity is our business.
